

Trailhead Fine Foods

We are looking at expanding our production team in Welshpool in line with increased business opportunities, and we are therefore seeking to recruit a

Food Production Operative

Based in Welshpool

This is a part-time position working flexible working hours Monday – Friday each week.

Salary meets the Accredited Living Wage

Previous occupational experience in the food production industry is desirable but not essential. Duties will include preparation of deliveries and despatch of goods, production processing and packing of products, cleaning of the production plant and machinery. The ability to follow process instructions is essential, and basic IT knowledge and skills will be advantageous. High standards of food safety are essential to Trailhead Fine Foods, therefore good personal hygiene and a careful approach to all tasks are important. Some driving of company vehicles may be required therefore a current valid full driving licence would be beneficial although not essential, as is the ability to speak Welsh.

To apply please write in the first instance enclosing your full CV:
